

T&C for Digital Ordering & Takeaway in select stores

- We are launching Digital Ordering & Takeaway through two technology partners –Dotpe Private Limited and Paytm Ecommerce Private Limited (“Technology Partner”)
- Customer can order either through scanning a QR Code at the Store or ordering ahead through various platform features
- Our Technology Partner will display our menu to customers, accepting orders and payments from customer, and send updates on the order status
- Customer needs to identify themselves at the selected Starbucks store & display their unique Order ID. Only on identification of the customer, will Starbucks start the preparation & handling of the customer order.
- It is the customer’s responsibility to pick up a confirmed order from the selected store.
- TSPL does not guarantee availability of all items at the Store.
- In case of cancellation of order, the refund will be determined by the refund policy of the Technology Partner and the relevant Payment Gateway
- Payment through registered Starbucks physical card & the Starbucks India app will not be available as a mode of payment
- My Starbucks rewards members will not be eligible to earn stars on payments made through these orders
- My Starbucks Rewards members will not be able to redeem their earned benefits for these orders
- Digital Ordering & Takeaway is only available in select stores
- In case customer has placed a confirmed order and does not reach the store before the Store Closing time on the same day, the order will be discarded and no refund will be initiated in this case.
- Store timings, list of stores & store operational format are subject to change
