

Terms & Conditions for Delivery services by Starbucks in select Hyderabad stores

1. Tata Starbucks Private Limited (“**Starbucks India**”) will be launching “Neighborhood Delivery Services” at select areas in Hyderabad, by which customer orders will be directly delivered to them.
2. Customers can place their orders through a dedicated link “<https://starbucks.dotpe.in/order>” or Registered / Verified Starbucks India WhatsApp number “91 84540 56333”. Currently the service is live in mobile phone only format. You need to be at least 18 years of age or above to place an order.
3. Neighborhood Delivery in Hyderabad is only available in select stores as per discretion of Starbucks India. Starbucks India may add or remove stores from this program at its own discretion. Delivery will be subject to your address falling within the defined delivery area of the nearest store. In case the delivery area is not mapped to any store, order cannot be placed.
4. Ordering hours will differ from store to store. We will not accept any orders beyond the store’s operating hours.
5. Customer Orders will be delivered on behalf of Starbucks India by aligned Third-Party Delivery Partners (Third Party Agent)
6. Basis the customer’s delivery location, a customer might get a choice of stores to place an order from. Customer can choose the store, and once order is accepted, the Neighbourhood orders will be delivered by Starbucks’ designated Third Party Agent from the same store the order was placed at.
7. All Orders, once placed by the customer and for which payment is successfully processed, will be treated as Confirmed. Customers will also get an order acceptance confirmation from the store.
8. Once an order is placed, customer cannot edit or cancel the order – this includes items or quantities.
9. Once an order is placed, customer cannot edit or change the place of delivery.
10. Store may cancel an order due to non-availability of items, Third Party Agent riders or operational limitations or any other valid reason. Notification for same will be shared with customer and any dues if applicable will be refunded to the customer. In case an item ordered by the customer is not available, Starbucks India may choose, on best efforts basis, to reach out to the customer to edit the order through the phone number which was shared while placing the order.
11. Once the order is dispatched, customer will get regular updates and live tracking on the order status along with Third Party Agent rider details. Order status will be shared through a website URL which will be shared with the customer through WhatsApp, on the number from which the order had been placed.
12. Third Party Agent Rider will on best effort basis ensure that Delivery Package will be delivered to the customers’ doorstep. In view of the local restrictions, especially COVID related norms, Third Party Agent Rider might have to leave the Delivery Package at the nearest safe location for the customer to pick up (like security desk). The customer will be liable to pick up the same as soon as possible. Customer will be notified on the same.

13. The Delivery Arrival Time is an estimated time only. Starbucks India and Third Party Agent rider will try to ensure delivery on best effort basis, however there is no guarantee of the same.
14. Orders can be paid through various digital payment methods like Credit Card, UPI etc as available on TSPL's Technology Partner.
15. The digital receipt visible on order confirmation is not the final tax bill. The Final GST invoice by Starbucks India will be received by the customer along with his Delivery Package.
16. Prices reflected on the ordering platform including any handling or packaging charges are solely determined by Starbucks India. Prices may change at the sole discretion of TSPL.
17. No two different offers can be clubbed and availed together while placing an order.
18. TSPL does not guarantee availability of all items at the Store.
19. We constantly strive to provide accurate information on the menu including item description and images. However, in the event of any error, we may in our sole discretion contact customers directly.
20. Service may be under upgrades & some feature and functions may not be fully operational at all times.
21. Customers are urged to spot suspicious WhatsApp message & interact only with the verified business account.
22. Customers should not submit or post or transmit defamatory, insulting, harassing or threatening details in the feedback section of the ordering services.
23. Customer will not use this service in any way that is unlawful or harms any person or entity. Starbucks India will be entitled to block or blacklist users from using the ordering services for violation of Starbucks' terms and conditions.
